FROM THE DESK OF MRS. CARAVANO

We had incredible student and staff participation in Spirit Week and I hope you had a chance to see some of the pictures that we shared on our Instagram account. The week ended with our annual pep rally, where our 8th graders secured their Spirit Week victory. Overall, it was a fun and positive week for both our students and staff members.

We have four days until spring recess and our baseball, softball, lacrosse and track seasons are underway. Practices continue this week and games and meets will begin when we return from the break. It is hard to believe we are heading into our final sports season of the school year and are quickly approaching the start of our fourth marking period. Time flies when you're having fun!

I hope you enjoy the upcoming week and are as excited as I am for the Phillies opening day (and March Madness!). I will be back in your inbox on Sunday, April 14th. Have a great spring recess and Go Phils!

UPCOMING EVENTS

Spring Recess (School Closed)

Friday, 3/29 - Sunday, 4/7

Baseball (8th) vs. Beck Middle School

Tuesday, 4/9

Lacrosse (8th) vs. DeMasi

Tuesday, 4/9

Softball (8th) vs. Beck Middle School

Tuesday, 4/9

Eid al-Fitr (School Closed)

Wednesday, 4/10

Baseball (7th) vs. Harrington

Thursday, 4/11

IMPORTANT INFORMATION

- STEM Career Day is coming! Please consider volunteering for this event by signing up [HERE](#).
- If a student misses a class, any assignment, quiz or test that occurred will be marked as 'Missing' to help the student identify what they need to make up. This applies to any missed classes, including sick days, vacations or school-sponsored activities.

CHARACTERSTRONG CORNER

This week's CharacterStrong lesson is about building social awareness. Did you know research suggests it can take anywhere from 1 to 27 seconds to make a first impression? Students will be completing activities where they are challenged to watch videos and view images in an effort to notice as many things as possible in 27 seconds.

Students will be challenged to build their empathy skills by noticing more and continue to pay attention to what other people may be thinking or feeling.
